

PLAYER POOL FORM 2017

A player cannot be registered in any competition with more than one Club. Relaxation of this rule maybe considered under exceptional circumstances, whereby a player’s Club does not have a Senior team or a Junior team.

Player pool allows a junior player who is registered with a Junior or Senior Club, to play with another junior club, if their Primary Registered Club have no junior team in that age division, or a junior player who is registered with a Junior Club, can play with another Senior club, if their Primary registered Club has not senior team in that Division.

<i>Please fill in the form and return to office for consideration by GCHA Board.</i>
