1.1 Communication with the GCHA Office

The telephones and emails at the office are generally manned between 9.00am and 1.00pm weekdays. Callers are asked to limit calls to the office to these hours. This will allow staff in the office to complete the daily tasks with minimal interruptions.

Correspondence received after close of business - 5.00pm each business day (not weekends) – unless of an emergent nature, will not be actioned until the following business day

2 Local Rules

2.1 Competition Structure

1. The GCHA competitions are structured as follows

Senior Divisions

Divisions 1, 2, 3	Male
Divisions 1, 2, 3, 4	Female
Masters	Male & Female or Mixed Gender
As recommended by the Competitions Committee	

Junior Divisions

Junior Development	Gold Coast Cubs (1/4 field), (Mixed Gender) Gold Coast Rookies (1/2 field) (Mixed Gender)
U12	Hybrid (Male, Female, and Mixed Gender)
U14	Male & Female
Open	Male & Female
As recommended by the Competitions Committee	

2. The above divisions will all operate as separate competitions under the control of the GCHA
3. The structure of the competitions will be determined by the GCHA primarily based on team nominations and grading of teams. At its discretion, the GCHA reserves the right to vary the number of teams in any division outside of the above template and to grade all teams in any division.
4. There will be a minimum number of matches for each division as determined by the GCHA, with only full rounds in all divisions unless decided otherwise by the GCHA.

2.2 Match Template, Rounds, Durations and Starting Times

1. The template continues to be a product of ongoing negotiation and agreement between GCHA and other sporting associations as required. The GCHA will determine the Template.
2. All competitions will consist of an agreed number of rounds, generally numbered, and played in chronological order. In the event of a match being moved, player registration and playing stipulations must be complied with as though the round were still in its original chronological order. The Competitions Coordinator will ensure that no unfair advantage is gained by any movements across rounds of any matches for any teams.
3. Match Durations are as follows:
 - a. Senior matches should consist of four seventeen (4 x 17) minute quarters with a five (5) minute half time break and two (2) minute quarter time break.
 - b. A Senior match may reduce to no less than three seventeen (3 x 17) minute periods with a two (2) minute break at the end of the first period and a five (5) minute break after the second period in place of the normal half time break. Any further reductions in match time will result in the match being treated as abandoned (see Rule 2.4.2 and Rule 2.3.4).
 - c. Masters matches should consist of two twenty-five (2 x 25) minute halves with a five (5) minute half time break. Or alternatively 4 x 12 minute quarters with a five (5) minute break at half time and a one (1) minute quarter time break, if agreed to by both teams and the Umpires.
 - d. Junior matches (U12 to **Opens**) should consist of 4 x 14 minute quarters with a five (5) minute break at half time and a two (2) minute quarter time break.
 - e. Junior matches modified should consist of two twenty (2 x 20) minute halves with a five (5) minute half time break.
4. In the case of extremely hot weather or other risk situations competition duration may be altered by a GCHA representative to comply with Hockey Queensland Risk Management policy guidelines.
5. At the start of every game the team named first on the fixtures will start the game in the dugout to the left side of the seated Tech Bench. The team named second will start in the dugout to the right side of the seated Tech Bench. The first named team first will start the game with possession of the ball. The second named team will choose the direction in which they wish to start.

2.3 Time Keeping for Matches

1. Official match time is the advertised match start time as per the fixture draw. The timeclock for each match will be started at the advertised official match time.
2. Time out during fixture matches will not be permitted. Time out during Finals, in the case of serious injury, will be at the discretion of the Technical Bench (Tech Bench) Supervisor, and on advice from the Umpires.
3. **Umpires are required to ensure that all injured players leave the field as quickly as possible (see Rule 2.11)**
4. If a match needs to be stopped for any reason due to unforeseen weather conditions or deterioration in the condition of the playing surface, the match officials will wait and see if conditions clear and the ground becomes playable thereby enabling the fixture to be completed. In this situation any time lost is to be deducted from the time originally allocated to the match, thereby enabling the ensuing matches to be completed as scheduled. **If 15 continuous minutes of allotted match time is lost, excluding any scheduled break times, and the match cannot be continued, the Tech Bench Supervisor, in conjunction with the Umpires allocated to that scheduled fixture will decide the result of the match based upon the following:**
 - a) if the teams have completed a minimum of at least 50% of the match time originally allotted to the fixture at the time of the stoppage then the match will be declared complete and scores will stand as they were at the time of the interruption.

- b) if less than 50% of the match time originally allotted to the fixture has been played, at the time of the stoppage then the match will be determined to be abandoned (see Rule 2.4.2)
5. If the match can be continued, any player suspensions in place at the time of stoppage will continue.

2.4 Rescheduled Matches

1. Abandoned matches must be rescheduled and played **within four (4) weeks** of the cancelled/abandoned game and before the completion of season's fixtures. The Competitions Coordinator will reschedule the game giving each team at least one (1) week's' notice. If the date supplied cannot be agreed upon within the time frame, the game will be declared a nil all draw with both teams awarded one (1) point and zero (0) goals.
2. Match reschedules will not be considered after ratified fixtures have been published for the season, with the exception of abandoned matches as above, and fixture matches during state titles due to representative absences (see Rule 2.5).

2.5 Fixture Matches during Representative Hockey

Where a team has five (5) or more regular team players away for official representative duties – player, Umpire, Coach or Manager – for GCHA or higher representative duties for hockey, they may request reschedule of the relevant match. **Reschedules will only be considered for a club that does not have a team in the next lowest division or age bracket. No other request for reschedule will be considered.**

2.6 Determination of Late Starting Fixture Match

If after a period of **ten (10) minutes** a team does not take the field, forfeiture will be awarded to the team ready to play (see Rule 2.7.2.a) ii).

2.7 Forfeiture of Matches

1. **Any club receiving forfeiture shall be credited with three points and shall be treated as having scored six (6) goals to nil (0).**
2. A forfeit shall be awarded when:
 - a) One team fails to appear at the time set down for play or within the specified match start time frame (see Rule 2.6). For a forfeit to be awarded on match day, it is required that:
 - i the team ready to play takes the field; and
 - ii a match card is completed and lodged with the Tech Bench Facilitator on the day.
 - b) One (1) team advises in advance of a forfeit. In this case, the team being awarded the game does not have to take the field, however a game card may be completed in full and lodged with GCHA within three (3) days of the scheduled fixture.
3. Should a team forfeit a fixture match, the Club concerned shall be liable for payment of their opponent's turf fees in addition to their own (double turf fees).
4. Failure of a team to appear and not having the courtesy to provide at least 24 hours' notice of forfeit to GCHA and the opposition will result in a \$200 fine in addition to double match fees.

2.8 Withdrawal of a Team Mid-Season

In the event of a Club withdrawing a team during the season, for all complete competition rounds, their competition points and goals for, and against, will stand. All points associated with all scheduled matches for that team will be negated. The club withdrawing their team shall be liable for any costs in connection with registration of that team with GCHA.

2.9 Coaching from the Back Line & Dugouts

1. Coaching from the back line by any team personnel is prohibited for all Competitions to avoid possible player conflict and ensure fair conduct of play.
2. Only those players named on the game card (or injured team players) are allowed in the dugout i.e., up to sixteen (16) players; plus, three (3) officials.
3. From 2023 onwards Coaches will be allowed on the field in the Under 12 competition **for the first week of competition rounds** to assist with positional play and skill correction. Coaches must take

2.11 Injuries

- a) There will be **no time-out** for injury in any game, except for Rule 2.3.2.
- b) Injured players should be taken from the field as soon as safely possible for treatment. - d) All head and face injuries **must be assessed** by the First Aid personnel on duty.

2.12 Blood Protocol

1. Open Cuts

As Hockey is a contact or collision sport, this is an area of principal concern to the GCHA given that the skin can be broken very easily by contact with players and facilities or equipment. **Prior to commencement of play all open wounds or grazes must be covered.** All open cuts and abrasions sustained during a match shall be reported to the Technical Bench and treated immediately to preclude any type of blood contamination.

2. Players

2. Any team that plays unregistered players will be penalised. Penalty = loss of three (3) points to the offending team. Each team shall be entitled to name a designated Goalkeeper.
3. A player may only play for one team in a division or age group. Any breach of this Rule carries a penalty of loss of three (3) points to the secondary team.

6. Upon application, exemption will be granted for any weeks that players miss due to governing body sanctioned hockey representative duties – evidence to be provided to GCHA.
7. Upon application, if a player sustains an injury during a match and a medical certificate is provided to GCHA, a two (2) week extension may be granted before they must be deregistered.

If this occurs, they will be ineligible to play finals in the lower division.Example 1: If there is a 15-game competition in Division 3 and a 20-game competition in Division 1, a player may play only five (5) additional games above what they have legitimately played in Division 3 (i.e., If they play 11 games in Division 3 the maximum that can be played in Division 1 is 16 games. A letter of notification with a medical certificate attached must be received by the Competitions Coordinator prior to the player taking the field in the lower division, or Rule 3.3.6 will apply.
9. After seeking written dispensation from GCHA, a player may be downgraded from a team list for disciplinary or poor performance reasons by their club to a grade or division lower than where they were originally team listed, they will then automatically be deregistered from their primary team list and team listed to that lower grade or division. Downgrading may only occur AFTER written dispensation has been received from GCHA. A written request for dispensation must be received by the GCHA allowing at least one full business day for assessment. The submission must state the reason for the request. GCHA will decide if the request is approved or rejected and the decision will not take effect until a written determination is received by the club. In the event of this occurrence that player must play a minimum of three (3) games in the lower grade before he/she can be allowed to play in the original higher grade. Should this situation occur, the downgraded player must be replaced in the primary team listing by another player not originally team listed in the higher grade.
